Frequently Asked Questions

WHAT FURNISHINGS ARE PROVIDED WITH MY BOOTH SPACE?

Every event is different. Please see the Event Information PAGE 5, which will specifically list what items, if any, will be included in the booth space.

WHAT IF THE BOOTH DOES NOT INCLUDE ITEMS I NEED?

Unfortunately, items that are provided as part of your booth package have no trade-in value. If you need an item that is not listed with the booth equipment, you must order that item separately at the published rate. This is also the case for modifications to your booth. If you'd like to upsize (or downsize) the table provided, you must order the required item at its full price. Credits will not be given for items provided in booth package that are not used by the Vendor.

HOW DO I PLACE MY ORDER?

♦ Mail in your order forms and full payment to:

CEMS

P.O. Box 6330 McAllen, Texas 78502

♦ Fax in your order with the Credit Card Authorization form to:

956-688-8339 Attn: Exhibitor Services

Orders will not be processed without full payment. Please review our Payment Policies for detailed information. Don't forget to keep a copy of your order for your records. For orders going to other "official suppliers" (i.e. Electrical, Internet, Telephone, Audio Visual, etc.) please follow the payment and mailing instructions indicated on each of the forms that may be located in this manual.

WHAT IS THE CANCELLATION POLICY FOR REFUNDS ON FURNISHINGS?

Items cancelled prior to **Friday, August 6, 2021** will be refunded at 100%. Items cancelled after **Friday, August 6, 2021**, and prior to delivery will be refunded at 50%. Items cancelled on show site or after delivery are **non-refundable** and billed at 100%.

DO I HAVE TO PAY IN ADVANCE FOR SERVICES OR CAN I BRING A CHECK TO THE SHOW?

Full payment must be received for services requested before the order will be processed. If you choose to pay by check, a credit card is still required to be on file.

WHAT ARE MY OPTIONS FOR INBOUND SHIPPING?

Option one: Advance shipping is sending your materials, up to 30 days prior to the event, to a designated warehouse which will store your freight and then deliver it directly to your booth space during **CEMS** move in. Delivery hours are **9:00 AM - 3:00 PM**, Monday - Friday. The advantage of sending your freight in advance is knowing it has arrived and will be delivered to your booth prior to your arrival.

Option two: Direct shipping is sending your materials directly to show site during the designated move in times (when permitted by venue). There is some risk with direct shipping because it does not allow for errors by your inbound carrier. If there is a problem and your carrier does not arrive on time, there may not be enough time to resend your materials.

WHAT IS THE DIFFERENCE BETWEEN MATERIAL HANDLING & SHIPPING?

♦ Material handling includes receiving, unloading your exhibit materials, storage for up to 30 days at the advance shipping location, delivery to your booth, handling of empty containers (removal from booth, stored, then returned to the booth at the close of the event) and removal of the material from your exhibit booth for reloading onto outbound carriers. This charge does not include the cost of shipping.

♦ Shipping is the means by which shipments are transported via carriers to and from the event location.

WHAT IS A BILL OF LADING?

A Bill of Lading is a type of document that is used to acknowledge the receipt of a shipment of goods. In addition to acknowledging the receipt of goods, a Bill of Lading indicates the particular vessel on which the goods have been placed, their intended destination, and the terms for transporting the shipment to its final destination. A Bill of Lading is mandatory for **CEMS** to release your materials to your specified carrier at the close of the event.

WHAT ARE MY CHOICES FOR SHIPPING OUT AT THE CLOSE OF THE SHOW?

You may use any carrier of your choice. It is your responsibility to contact and make all arrangements for any carrier to pick up your items from **CEMS** warehouse. If freight is not picked up by the specified time provided in this kit, **CEMS** will force your freight to be re-directed through our carrier of choice. Our selected carrier for this event is **YRC FREIGHT**. All freight that is re-directed will be charged a fee in the amount of \$150 per Vendor.

WHAT ARE THE MOVE OUT PROCEDURES?

A **CEMS** Bill of Lading is required on **ALL** outbound shipments. The Bill of Lading is available at the service desk. After your booth is packed, labeled and ready to be shipped please return the completed Bill of Lading form to the service desk. You must call your designated carrier with pick up information. A **CEMS** representative will be available at show site for further questions.

HOW DO I OBTAIN A COPY OF MY FINAL INVOICE?

To obtain a final invoice, usually available one week after the event closes, contact our Exhibitor Service Department at rentals@conventionandexpo.net.

Material Handling FAQ's

WHAT IS MATERIAL HANDLING?

Material handling includes receiving, unloading your exhibit materials, storage for up to 30 days at the advance shipping location, delivery to your booth, handling of empty containers (removal from booth, stored, then returned to the booth at the close of the event) and removal of the material from your exhibit booth for reloading onto outbound carriers. This charge does not include the cost of shipping. Please refer to the Shipping Information PAGE 9 of this manual for further information.

WHAT ARE CRATED SHIPMENTS?

Crated shipments are packed in any type of shipping container that can be unloaded at the dock and delivered without additional handling. **Crated containers include:** crates, fiber cases, and properly packed skids.

WHAT ARE SPECIAL HANDLING SHIPMENTS?

- ◆ **Mixed Shipments:** Mixed shipments include a mix of both crated and uncrated materials.
- ◆ **Ground Loading/Unloading:** Special handling charges will apply to shipments that arrive in vehicles that are not dock height, such as u-hauls, flatbed trailers, double drop trailers, etc.
- ◆ **Stacked Shipments:** Shipments that require multiple items to be moved or removed for delivery to booth. (i.e. loose items stacked on top of crates and/or pallets.)
- ◆ **Piece Loading/Unloading:** Drivers who require multiple pieces to be moved to the rear of the trailer, in order to select the next piece, or having to remove the freight from the trailer to re-fit in sequence.
- ◆ **No Documentation:** Shipments that arrive from a carrier without a Bill of Lading, which requires additional time and labor to process.
- ◆ **Excess of Small Shipments:** 10 or more loose pieces that are not palletized or crated.
- ◆ **Uncrated shipments** indicates a shipment that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting tools.

HOW IS STRAIGHT TIME / OVERTIME DETERMINED?

Straight Time: Monday - Friday, 9:00 am to 4:00 pm.

Overtime: All other times, Saturdays, Sundays and Holidays.

◆ **ST/OT or OT/ST:** If freight will be handled one way on straight time and one way on overtime, either into the event or out of the event.

◆ **OT/OT:** If freight will be handled on overtime into the event and out of the event.

Overtime charges are assessed when **CEMS** has been granted access to the facility during overtime, per the contractual agreement between Show Management and the facility. This includes warehouse shipments.

◆ **Shows that move-in or move-out on weekends or late in the day may be subject to overtime charges.**

HOW DO I CALCULATE MY MATERIAL HANDLING CHARGES?

Charges will be based on the weight of your inbound shipment. Each shipment received is considered separate. The shipment weight will be rounded up to the next 100 lbs. Each 100 lbs is considered one **cwt** (hundred weight). There is a 200 lb. minimum charge for **each shipment**. Please refer to the Material Handling Rate Sheet for event prices.

Calculate Total CWT (Enter in increments of 100 lbs only; make sure to round up to the next 100.)

Example Below:

If your freight totals 238 lbs., round up to 300 lbs • Divide 300 by 100 • $[300 \div 100 = 3]$ • **Your CWT is 3.**

Please keep in mind that each rate is PER SHIPMENT. Therefore, **CEMS** recommends that all freight is shrink wrapped so that only ONE shipment is received upon delivery. The following is an example using our advance warehouse rate:

If you send 3 separate shipments:	If all items arrive together:
1 st Shipment weighing 23 lbs = \$130.00 (200lb minimum)	1 Shipment (3 pieces) at 98 lbs total *WITH 200 LB MINIMUM*
2 nd Shipment weighing 42 lbs = \$130.00 (200lb minimum)	98 lbs charged at \$130.00
3 rd Shipment weighing 33 lbs = \$130.00 (200lb minimum)	
Total Charges Accumulated: \$390.00 for 98 lbs. of freight	Total Charges Accumulated: \$130.00 for 98 lbs. of freight

*This example does not reflect prices for late fees or re-direct fees that may apply to your shipment.

Material Handling Rates

RATES BELOW WILL BE BASED ON PUBLISHED EVENT MOVE IN & MOVE OUT SCHEDULE.

Material Handling Charges Include:

Receiving and unloading your freight at the docks at either the Advanced Warehouse or at Showsite, delivery to your booth, storage and return of empties at the close of the event, removal of your freight from your booth back to the loading dock and re-loading onto your outbound carrier

FINAL CHARGES ARE DETERMINED BY WEIGHT AND EASE OF HANDLING.
